Sunnyside Farmers Markets Rules and Regulations:

- 1) It is the responsibility of each vendor to comply with local, Board of Health, and State regulations governing market sales. Copies of all current licenses and/or permits must be submitted to Sunnyside Farmers Markets (1) week prior to the start of the market. Copies must be emailed to sunnysidemarkets9@gmail.com, and will be kept on file for the duration of the season.
- 2) All food products and nursery plants for sale at the market must be germinated, grown, raised, or gathered in New York State by the vendor.
- 3) Sunnyside Markets participates in the New York EBT/SNAP program. Vendors that are eligible to accept these programs are required to submit the proper paperwork prior to participation. Vendors will be reimbursed for these sales on a weekly basis.

- 4) All vendors are responsible for their own set up and breakdown. All vendors must remain open for business and set up for the duration of the entire day. Set up begins (1) hour prior to the start of the market, and breakdown must be complete (1) hour after the market closes. All tents must be properly secured to ensure the safety of customers and fellow vendors. All garbage must be removed from market property at the close of the market. Any vendor that leaves behind trash is subject to a fee for removal.
- 5) Smoking is not permitted on farmers market grounds.
